**Attachments:** NWF\_Dicamba Letter-signed.pdf; Member Comments Dicamba- September 2020 - FINAL.xlsx

Administrator Wheeler,

Please see the attached letter and supporting comments from our members (18,174) on the need to not renew dicamba product registrations until more research verifies safety. Due to file size considerations I am including a link to our recent report on dicamba impacts <https://www.nwf.org/DriftingTowardDisaster> rather than attaching here.

Sincerely,  
Lekha
